CONNECTICUT BIRD ATLAS – NEST LOCATION FORM

Use this form to provide supplemental information on the specific locations of any nests that you find. Submitting this information is optional, but will help us to better understand the specific nesting requirements of species. All nests should also be reported via the normal atlas data forms using the NB, NE, NY or UN breeding codes.

Observer: _____ **Email:** _____ **Phone:** _____

Address: _____

Send to: Connecticut Bird Atlas, c/o Chris Elphick, Ecology & Evolutionary Biology,
University of Connecticut, 75 North Eagleville Road, Unit 3043, Storrs, CT 06269-3043
Or email (scans): ctbirdatlasdata@gmail.com (subject: CT Bird Atlas Nest Data)

Date (m/d/y)	Latitude/Longitude (decimal degrees)*	Block ID	Species	Notes**

*Instructions for getting this information from Google Maps are on the atlas web site. Alternatively, mark the location on a paper map and submit with this form.
** Use this column to provide any other information that you think might be useful – tree/shrub species in which nest is placed, use of nest box or other human structure, etc.
